ò SHERIFF® ò
The Western Photo Booth

Power : 110-240 V - 50/60 Hz

DPS means Digital Portrait Systems and with this brand since 1982 we have been making computer portrait systems.

The WANTED poster has always been very successful.

Our new product, THE SHERIFF, is ideal for any location with young people and families.

It prints in less than 1 MINUTE a beautiful colour Wanted Poster with old style black and white picture size A4 (21x29.7cm 8.2" x 11.5").

- * Cost of Paper and Toner is LOW...
- * Profit is HIGH.
